

KING Dome®

Get up-to-the-minute news, weather and sports or watch a blockbuster movie while on the way to your next destination.

Just press the scan button and within minutes you will be watching your favorite shows. With the KING Dome In-Motion antenna you get reliable, crystal clear satellite TV reception while parked or driving. For DISH® subscribers, you also get the most HD channels available via satellite from a single antenna for the ultimate HDTV experience. When driving into your campsite, you'll know you have an unobstructed view to the satellite before you even let the jacks down. As an added bonus you will get crystal clear satellite radio programming as well.
