

Enjoy satellite programming as easily as at home, with no compromises in convenience or performance. DISH Network's premier reflector dish used for home systems. Automatic, one button on/off antenna views all satellites at the same time for maximum reception performance. Works great with DVRs! Receives all DISH Network standard and HD programming from satellites 110, 119° and 129° simultaneously. Also receives all Bell TV standard and HD programming from satellites 82 and 91° simultaneously.
