## C-band Rx Feed Assemblies

The Skyware Global C-band cross-polarized feed has been specifically designed for our line of offset reflectors. Electrically tested and matched, this die-cast feed assembly provides maximum performance for demanding commercial applications.

### SPECIFICATIONS

#### Model 611608002 Single Polarity, Linear

Polarization .....	Linear
Operating Frequency .....	3.4-4.8 GHz
VSWR .....	1.4:1
Waveguide Flange .....	CPR229F

#### Model 611608003 Circular Polarity

Polarization .....	Circular
Operating Frequency .....	3.4-4.2 GHz
VSWR .....	1.4:1
Voltage Axial Ratio .....	3 dB
Waveguide Flange .....	CPR229F

*(All specifications typical)*
