## Example Applications

Product Specifications	Model # H-NVS-3500
<i>*All Specifiactions Subject to Change Without Notice</i>	
Input / Output	3G-SDI HDMI CVBS Composite

Supported Resolutions	<p>720x480i60/59.94                  720x576i50                  1280x720p60/59.94                  1280x720p50                  1920x1080i60/59.94                  1920x1080i50                  1920x1080p60/59.94                  1920x1080p50</p> <p>Computer Sources</p> <p>800x600                  1280x1026                  1440x900</p>
Video	H.264
Audio	G.701 MPEG-4
Audio Sample Rate	48 kHz
Audio Bit Rates	64 kbps 96 kbps 128 kbps
Supported Network protocols	TCP/IP, , Multicast, , HTTP, HTTPS, , , ,
Interface	1 x 2.0 Port
IP Transport Stream Output	1x RJ-45 10/100 Interface Supports Multi-client & HTTP Streaming Supports IP Multicast & TS Output Supports Encrypted Connections via HTTPS
Rate Control	Supports both and
Serial Support	RS-232 RS-422/485
Dimensions	430 x 225 x 45 mm
Weight	2.25 lb
Operating Temperature	0 - 45 C
