

The most classic style of boomerang we offer with a third brake light that provides enhanced visual safety. Simply add a signal amplifier, and you are ready to receive the best signal possible. Ideal for use on your limousine, motor coach, or boat.

- Permanent Mounting
- Stands on 6-1/2" teardrop pedestal
- Size: 22" W x 6-1/2" T x 16" D
- Hardware, mounting instructions, and template included

Note: All models of Boomerang Antennas are available only in white plastic which require painting to match your vehicle color. If unpainted, they will become discolored over time. Antennas must be tested for performance prior to painting; altered products void manufacturers warranty. Manufacturers warranty only. Please refer to the warranty information included with the product.
